

February 2018

Dear Teacher,

Upper Clements Parks, the FUN capital of Nova Scotia, invites you to register for "School Days 2018"! This year, School Days will run from Monday, June 18 until Friday, June 29, from 10:00 am to 5:00 pm.

It is our goal to make the Park accessible and affordable to all students during the pre-season period. This year's price is \$12.00 plus tax (\$13.80) for a Park bracelet, which includes all rides except the Adventure Park. Each registering class will receive two (2) complimentary bracelets for every 20 students (one for the teacher and one for the chaperone/assistant).

Additional chaperones or attending parents can pay the same discounted \$12.00 plus tax rate and can register with the class or pay when arriving with the class at the Park. Please ensure that parents who wish to participate but have not been included in your final numbers are aware that they will have to purchase a bracelet in the Guest Services building.

Please provide an estimated number of students/chaperones attending; should these numbers change, please advise us a minimum of three days prior to your arrival date.

Upon arrival at the Park, you (or your group representative) will be required to pay for the number of bracelets requested (cheque, cash, debit, Visa/MasterCard), or we can invoice your school if prior arrangements have been made. School Days bracelets are only valid for the day purchased.

For more information about our Park, please visit our website at upperclements.com.

Should you have any questions, please do not hesitate to contact our Marketing team at any time.

We look forward to seeing you!
